Kimberly Blalock : The Angel Trilogy (The Complete Collection) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Angel Trilogy (The Complete Collection):

2 of 2 people found the following review helpful. Can a man with secrets find redemption with an Angel?By MelenaThere was just so much in this book there were times I was confused. I mean Kimberly Blalock created a series that was about love, betrayal and second chances all packed into one nice book but felt there were tmes that just lagged for me. I loved that we got to know about Abigail but there was so much missing about Evan. I kept hoping we get to know about Evan and his secrets about his life and felt the author just was about Abigail. Don` t get me wrong the romance between them was sweet and romantic just felt there could have been more in this series.0 of 0 people found the following review helpful. Good plot, but some editing would make it better.By Book Lovin' MommaThis book was full of questions leading to more questions, with plenty of suspense, Underlying it all was Evan and Abby's love for each other and how they fought to be together though all the curve balls everyone threw their way. I adored Dom, and I liked Amy, although there were moments where I thought she could use a good slap. I enjoyed the story very much, but there were some editing errors. For instance, Hollister's on-and-off girlfriend, Ava, was introduced initially as Eva a couple of times, then switched to Ava. Also, the author's overuse of "end of" to finish off the Evan's' thoughts got pretty tiresome. It made Evan sound a bit immature, rather than the strong alpha male he is portrayed as through other parts of the book. And the way Amy kept calling Abby "doll" was also a little irritating. She's a young twenty-something, and it just didn't resonate with me that she'd be calling her best friend "doll" all the time. She could have definitely used a variety of other endearments. But the plot was good, and there were a good number of characters that I found not quite trustworthy and kept me guessing which direction the story was going to turn. There were some good steamy moments, not over the top, but enough to help keep the romance element heated.0 of 0 people found the following review helpful. Won't be re-readingBy Kindle CustomerThis book wasn't bad but it wasn't awesome either. I was not inspired to read it. I read it because I don't like to leave books unfinished. The flow was choppy but the love story and the struggles of the heroine were beautiful.

His Angel: Book One A love story that is completely action packed and edge of your seat! Follow Evan and Abby's journey through the Angel Trilogy. When Evan Young walks into Abigale Hayesrsquo;s life she falls; mind, body, and soul for the man she thinks he is, having no idea that the secrets he holds in his hands will destroy the girl she is. Abby must decide how the truth will affect the relationship that has her craving more with every breath she takes and how she will take revenge into her own hands. Evan will die to protect Abby and will kill for her too. The events that

unfold will change who Abigale is forever. My Demons:Book Two Abigale Hayes has had many things ripped from her life. Shesquo;s been broken and emotionally left to die in the darkness shersquo;s been living in for far too long. Love finds Abby in ways she hadn't imagined would ever be possible, but so do lies and betrayal. Abby will be put in a position to protect the one man she loves and has realized without a doubt she will love forever. Evansquo;s love for Abby will take him to a whole new depth of darkness and dealing with those that want the love of his life for themselves will be the end of Evan and Abby. Or will it? Our Sins:Book Three My name is Abigale Hayes. My story has been brutal thus far, but brutal is nothing I haven't felt my entire life. I love Evan Young. Hersquo;s everything to me. There are monsters waiting, lurking, and ready to pounce. I seriously recommend yoursquo;re careful who you choose to trust. I wasn't. Irsquo;m Evan Young. I love her, I want to keep her safe and happy. Irsquo;m failing on both . Irsquo;ve chosen to bring her into a life filled with evil. I should let her go, but I can't, I won't. Shersquo;s mine and Irsquo;m hers, end of. Until oblivion it ishellip;
